---

## Getting Started!

### Overview

---

**PrestaShop Facebook Comments Module** allows your customers and visitors to post comments, feedback, reviews and testimonials on product pages. They would not have to create any account separately on your website. They can login via Facebook and post comments instantly. This tool advertises your products through social media and helps you get the insights of what people think about your products.

### Features

---

Users can login through following accounts,

1. Facebook
2. Yahoo
3. AOL
4. Hotmail

From the admin section you can configure following settings,

1. Title of the block
2. Width of the box
3. Number of posts to display on product detail pages
4. Color Scheme
5. Order of comments

---

# Installation

## General Installation instructions

---

1. Log into Prestashop administration panel, go to **Modules** → Click **Add new module**.
2. Select **fmefacebookproductcomments.zip** which you downloaded and click **Upload this module**.
