PRESTASHOP MODULE

USER GUIDE

INTENDED AUDIENCE

The content of this document is designed to facilitate the users - managers, supervisors and others of **Product Testimonials** PrestaShop Module. A step by step instruction has been added to this document to help users to install the module on PrestaShop.

As a safe practice always backup your files and database before installing any module on PrestaShop. If you are looking for someone to install the module we can do it for you as well. Just go to the following link and let support know the order id to expedite the installation process.

Once you have installed please see the User Guide to help you understand on how to use the module to its full capacity. If you still have questions feel free to contact us on the support platform where you bought this module.

If you have any custom requirements feel free to touch base with us.

- Slider Width

HOW TO MANAGE TESTIMONIALS

At the back office, go to [Product Testimonial > Manage Testimonials](#). From here admin can manage all the testimonials. Click on **+** to add new testimonial.

#	Contact Name	Email	Company Name	Position	Enabled	
1	Mike	mike@gmail.com	United	1	✓	Edit
2	John	john@gmail.com	Beta Theta	2	✓	Edit
3	Susan	demo@demo.com	Zentaa	3	✓	Edit

ADD NEW TESTIMONIAL

Admin can add testimonials from back office and attach it to the desired product.

Company:

* Contact Name:

Picture: ADD PICTURE

The file must be image.

image file

Upload Picture from your computer

* Email:

Website:

* Mark as Featured?:

- Company
- Contact Name
- **Picture:** Option to add image with the testimonial
- Email
- Website
- Mark as Featured

A screenshot of a web form for adding a testimonial. At the top, there is a 'Status' section with two radio buttons: 'Enabled' (unselected) and 'Disabled' (selected). Below this are four text input fields, each with a language dropdown menu set to 'en'. The fields are labeled: 'Testimonial:', 'Meta Title:', 'Meta Keywords:', and 'Meta Description:'.

- Status
- **Testimonial:** Option to add testimonial in multi languages.
- Meta Title
- Meta Keyword
- Meta Description

Admin can attach the testimonial with the products as per requirements.

A screenshot of a dialog box titled 'ATTACH TO PRODUCTS'. It features a search input field with the placeholder text 'Type to find product' and an example 'Example: Blue XL shirt'. Below the search field, a product selection box shows a coffee mug icon and the text 'Coffee Mug (ID:8)' with a close button (X). At the bottom of the dialog, there are 'Cancel' and 'Save' buttons. Below the dialog box, there is a text input field labeled 'Testimonials Comment'.

DISCLAIMER

It is highly recommended to back up your server files and database before installing this module.

No responsibility will be taken for any adverse effects occurring during installation.

It is recommended you install on a test server initially to carry out your own testing.

SUPPORT

If you need more information or have any questions or problems, please refer to our support helpdesk:

You can log a ticket and a support technician can assist you further.

CUSTOMIZATION

If you have requirements that are not covered by our module and you need to have our module customized, feel free to contact us through support helpdesk.
