

FME Modules

PrestaShop Module
User Guide

INTENDED AUDIENCE

The content of this document is designed to facilitate the users -managers, supervisors, and others of the [Hide Price and Add to Cart Button](#) PrestaShop Module. A step by step instruction has been added to this document to help users to install the module on PrestaShop.

As a safe practice always backup your files and database before installing any module on PrestaShop. If you are looking for someone to install the module, we can do it for you as well. Just go to the following link and let support know the order id to expedite the installation process.

Once you have installed please see the User Guide to help you understand how to use the module to its full capacity. If you still have questions feel free to contact us on the support platform where you bought this module.

If you have any custom requirements feel free to touch base with us.

INSTALLATION INSTRUCTIONS

1. Log in to [PrestaShop](#) administration panel, go to [Modules](#) → Click [Add new module](#)
2. Select [v1.0.0hidepricecartbutton.zip](#) which you have downloaded and click [Upload this Module](#)
3. Scroll down and find [Hide Price and Add to Cart Button](#) and click [Install](#).
4. [Clear Cache](#) in [Advance Parameters](#) → [Performance](#)

USE CASES

Exclusive B2B Pricing:

- Restrict price visibility to specific customer groups, such as wholesalers or distributors, ensuring only authorized users see pricing information.
- Encourage B2B clients to contact your sales team for personalized quotes and volume discounts.

Pre-Launch or Limited Edition Products:

- Hide prices and disable the "Add to Cart" button for upcoming or exclusive products.
- Build anticipation and collect customer inquiries or pre-registration for these special items.

Custom Pricing or Services:

- For products or services that require tailored pricing, hide prices to prompt customers to contact you directly.
- Ideal for customizable products, bulk orders, or services requiring consultation before purchase.

USER GUIDE

HOW TO CONFIGURE MODULE

At the back office, go to [Modules](#) > [Module Manager](#) > [Hide Price and Add to Cart Button](#). Here you will find the module configurations.

The screenshot displays the PrestaShop back office interface. On the left is a dark sidebar menu with the following items: Modules (with a gear icon), Module Manager, Module Catalog, Design (with a monitor icon), Shipping (with a truck icon), Payment (with a credit card icon), and International (with a globe icon). The main content area shows a list of modules:

Module Icon	Module Name	Version & Author	Description	Configuration	Status
	Hide Price & Add to Cart Button	v1.0.0 - by FMM Modules	You can hide price and cart button on product pages and listing page.	Configure <input type="checkbox"/>	<input type="checkbox"/>
	Banner	v2.1.1 - by PrestaShop	Add a banner to the homepage of your store to highlight your sales and new products in a visual and friendly way. Read more	Configure <input type="checkbox"/>	<input type="checkbox"/>
	Category tree links	v2.0.2 - by PrestaShop	Help navigation on your store, show your visitors current category and subcategories. Read more	Configure <input type="checkbox"/>	<input type="checkbox"/>
