

FME Modules

**PrestaShop 1.6.x To 1.7.x Module
User Guide 1.0**

INTENDED AUDIENCE

The content of this document is designed to facilitate the users - managers, supervisors, and others of the **Reassurance Block** PrestaShop Module. A step by step instruction has been added to this document to help users to install the module on PrestaShop.

This extension will only work on the PrestaShop version 1.6.x to 1.7.x. As a safe practice always backup your files and database before installing any module on PrestaShop. If you are looking for someone to install the module, we can do it for you as well. Just go to the following link and let support know the order id to expedite the installation process.

Once you have installed please see the User Guide to help you understand how to use the module to its full capacity. If you still have questions feel free to contact us on the support platform where you bought this module.

If you have any custom requirements feel free to touch base with us.

INSTALLATION INSTRUCTIONS

Compatible - PrestaShop 1.6.x - 1.7.x

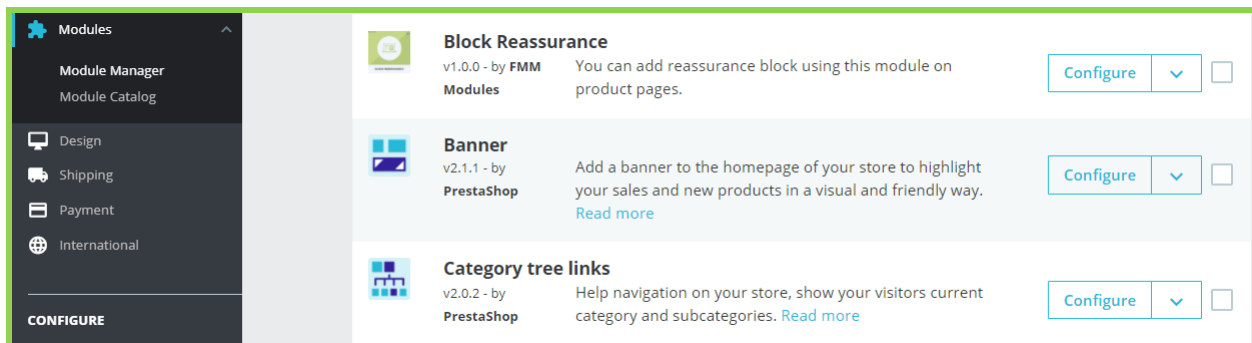

1. Log in to **PrestaShop** administration panel, go to **Modules** → Click **Add new module**
2. Select **v1.0.0blockreassurance.zip** which you have downloaded and click **Upload this Module**
3. Scroll down and find **Reassurance Block** and click **Install**.
4. **Clear Cache** in **Advance Parameters** → **Performance**

USER GUIDE

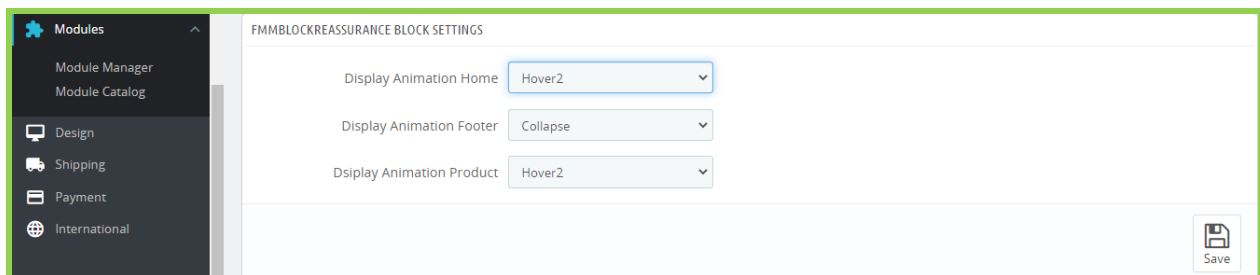

HOW TO CONFIGURE MODULE

At the back office, go to **Modules > Module Manager > Reassurance Block**. Here you will find the module configurations.

REASSURANCE BLOCK SETTINGS

Option to choose the animation style for displaying the reassurance block on the Home, Footer or Product Page.

Following are the four animation styles to choose from:

- **Hover**
- **Collapse**
- **Hover2**
- **Tooltip**

1. COLLAPSE ANIMATION COLORS:

Admin can choose the colors to design the collapse animation:

A screenshot of a web-based configuration panel titled "PICKUP COLLAPSE ANIMATION COLORS". The panel contains seven rows, each with a label, a color input field, and a color picker icon. The labels and their corresponding color values are: Title Color (#000000), Sub Title Color (ffffff), Description Color (#000000), Hover Color (#2fb5d2), Background Color (#D3D3D3), Link Color (#2fb5d2), and Arrow Color (#333a45).

Label	Color Value
Title Color	#000000
Sub Title Color	ffffff
Description Color	#000000
Hover Color	#2fb5d2
Background Color	#D3D3D3
Link Color	#2fb5d2
Arrow Color	#333a45

- Link Color
- Arrow Color

2. TOOLTIP ANIMATION COLOR:

Admin can choose the colors to design the tooltip animation:

A screenshot of a configuration panel titled "PICKUP TOOLTIP ANIMATION COLORS". It contains five rows, each with a label, a color input field, and a color picker icon. The rows are: "Title Color" with value "#000000", "Sub Title Color" with value "#ffffff", "Background Color" with value "#ffffff", "Description Color" with value "#7a7a7a", and "Background Hover Color" with value "#383636".

Label	Color Value
Title Color	#000000
Sub Title Color	#ffffff
Background Color	#ffffff
Description Color	#7a7a7a
Background Hover Color	#383636

- Title Color
- Subtitle Color
- Background Color
- Description Color
- Background Hover Color

3. HOVER / HOVER2 ANIMATION COLOR:

Admin can choose the colors to design the hover animation:

Bulk actions ▾

ADD A NEW REASSURANCE BLOCK

Admin can add new blocks by filling the following fields:

A screenshot of a web form for adding a new Reassurance Block. The form is enclosed in a green border and contains the following fields:

- Status:** Two radio buttons, 'YES' (selected) and 'NO'.
- * Title:** A text input field with the placeholder text 'Title for block reassurance'.
- * Sub Title:** A text input field with the placeholder text 'Sub Title for block reassurance'.
- Description:** A rich text editor with a toolbar containing icons for bold, italic, underline, link, unlink, list, and table. The dropdown menu is set to 'Paragraph'. Below the editor is the placeholder text 'Enter description for reassurance block'.
- * Link:** A text input field with the placeholder text 'Insert the link like https://example.com'.
- Appearance:** A dropdown menu currently showing 'Display Home' with a downward arrow. Below it is the placeholder text 'Select hook to display this block'.
- Upload Image:** A file upload area with a document icon, a text input field, and an 'Add file' button. Below it is the placeholder text 'Select an image to be displayed for reassurance block'.

- **Status**
- **Title:** Option to add the title for the block.
- **Sub Title:** Option to add subtitle for the block.
- **Description:** Option to add the block description using WYSIWYG editor.
- **Link:** Option to add a link where user will be redirected after clicking the block.
- **Appearance:** Option to choose a hook where the block will be displayed.
- **Upload Image:** Option to upload the image for reassurance block.

DISCLAIMER

It is highly recommended to backup your server files and database before installing this module.

No responsibility will be taken for any adverse effects occurring during installation.

It is recommended you install on a test server initially to carry out your own testing.

SUPPORT

If you need more information or have any questions or problems, please refer to our support helpdesk:

You can log a ticket and a support technician can assist you further.

CUSTOMIZATION

If you have requirements that are not covered by our module and you need to have our module customized, feel free to contact us through support helpdesk.
