Overview

Preorders PrestaShop module allows your customers to preorder/book out of stock products in advance and subscribe to waitlist. They can subscribe to individual products options like color, size etc.

Installation Instructions

1. Log into PrestaShop administration panel, go to Modules → Click Add new module.
2. Select fmm preorder.zip which you downloaded and click upload this module.
3. Scroll down and find Pre-Order & Notification and click Install
4. Clear Cache in Advance Parameters → Performance

Frontend For Pre Order Module

Products that are enabled for preorder are shown on the frontend with “Preorder Available” label. This option is available on the product page as well along with the “Notify me when in stock” option, customized message and the countdown timer. Only logged-in customers can subscribe to notifications, whereas they can also subscribe to individual product options like color, size etc.

User Waiting List

Users can view the subscribed products from their accounts:

1. Go to User account by clicking on Username.
2. Click on “My PreOrder Waitlist”.
3. User can also unsubscribe any product

The screenshot shows the user account dashboard. At the top right, there is a language dropdown set to 'English', a 'Sign out' button, the user name 'John Doe', and a shopping cart icon with '(0)'. Below this is the 'my store' logo, a 'SIGNUP REWARD' indicator, and a search bar with the text 'Search our catalog'. The main section is titled 'Your account' and contains several menu items: INFORMATION, ADDRESSES, ORDER HISTORY AND DETAILS, CREDIT SLIPS, VOUCHERS, GDPR - PERSONAL DATA, MY PREORDER WAITLIST, and PRE ORDERS.

The screenshot shows the 'My Product Waitlist' page. At the top right, there is a language dropdown set to 'English', a 'Sign out' button, the user name 'John Doe', and a shopping cart icon with '(0)'. Below this is the 'my store' logo, a 'SIGNUP REWARD' indicator, and a search bar with the text 'Search our catalog'. The main section is titled 'My Product Waitlist' and contains a table with the following data:

Product	Available	Date	Delete

Today is a good day Framed poster	×	27-04-2021	

Below the table is a blue button with a left arrow and the text 'Back to Your Account'.

Pre Orders

Users can view and complete their pre orders from their account after paying the remaining amount and when the product will be in stock.

The screenshot shows a user account page for 'my store'. At the top right, there are links for 'English', 'Sign out John Doe', and 'Cart (0)'. Below the navigation bar, the 'my store' logo and 'SIGNUP REWARD' are visible. A search bar contains the text 'Search our catalog'. The main content area is titled 'Pre Ordered Products' and contains a table with the following data:

<input checked="" type="checkbox"/>	Product	Quantity	Price	Paid	Remaining	Status
	Today is a good day Framed poster Reference:demo_7	1	\$30.00	\$0.63 (Pending)	\$29.37	Not Available

Below the table, there is a blue button labeled 'COMPLETE SELECTED ORDERS' and a 'BACK' button at the bottom left.

How to Configure the Module

At the back office, go to “Pre Order and Notification”. You can go there from Modules > Module Manager > Pre Order and Notification. Click on Configure to continue.

The screenshot shows the 'Module Manager' interface. On the left, a sidebar lists 'Modules', 'Module Manager', 'Module Catalog', 'Design', 'Shipping', and 'Payment'. The main area displays two modules:

- Pre Order and Notification** (v3.0.1 - by FMM): Customers are allowed to pre-order and pay full or partial for unavailable products in advance and subscribe to the waiting list to be notified. Action buttons: Upgrade, dropdown arrow, checkbox.
- Demonstrate** (v1.0.0 - by FMM): When new users visit your website or product you should demonstrate your product features using a step-by-step guide. Action buttons: Configure, dropdown arrow, checkbox.
