PrestaShop Module User Guide

INTENDED AUDIENCE

The content of this document is designed to facilitate the users -managers, supervisors, and others of the **Custom Payment Methods** PrestaShop Module. A step by step instruction has been added to this document to help users to install the module on PrestaShop.

As a safe practice always backup your files and database before installing any module on PrestaShop. If you are looking for someone to install the module, we can do it for you as well. Just go to the following link and let support know the order id to expedite the installation process.

Once you have installed please see the User Guide to help you understand how to use the module to its full capacity. If you still have questions feel free to contact us on the support platform where you bought this module.

If you have any custom requirements feel free to touch base with us.

INSTALLATION INSTRUCTIONS

1. Log in to [PrestaShop](#) administration panel, go to [Modules](#) → Click [Add new module](#)
2. Select [v1.0.0custompaymentmethods.zip](#) which you have downloaded and click [Upload this Module](#)
3. Scroll down and find [Custom Payment Methods](#) and click [Install](#).
4. [Clear Cache](#) in [Advance Parameters](#) → [Performance](#)

USE CASES

Use Case 1: Exclusive Payment Options for B2B Customers

A B2B store wants to offer specific payment methods, such as payment on account or custom invoicing, exclusively to wholesale customers. Using the module, the store owner can restrict these payment methods to a designated customer group, enhancing flexibility and professionalism.

Use Case 2: Payment Options for Loyalty Program Members

A store wants to offer exclusive payment options, such as reward points or store credit, to customers enrolled in their loyalty program. The module enables the store owner to restrict these payment methods to loyalty members, providing a personalized experience and incentivizing repeat purchases.

Use Case 3: Payment Flexibility for VIP Customers

A store catering to VIP customers wants to provide special payment options, such as installment plans or post-purchase invoicing, available only to this elite customer group. The module allows the store owner to assign these payment methods exclusively to the VIP group, enhancing customer satisfaction and loyalty.

USER GUIDE

HOW TO CONFIGURE MODULE

At the back office, go to [Modules](#) > [Module Manager](#) > [Custom Payment Methods](#). Here you will find the module configurations.

The screenshot shows the 'Module Manager' interface. On the left is a sidebar with navigation options: Modules, Module Manager, Module Catalog, Design, Shipping, and Payment. The main content area displays two modules:

- Custom Payment Methods**: v1.0.0 - by FMM. Description: Add Custom Payment Methods to your store. Includes a 'Configure' button, a dropdown arrow, and a checkbox.
- Custom text blocks**: v4.1.1 - by PrestaShop. Description: Integrates custom text blocks anywhere in your store front. Includes a 'Configure' button, a dropdown arrow, and a checkbox. A 'Read more' link is also present.

VIEW CUSTOM PAYMENT METHODS

Admin can view the list of custom payment methods here. Admin can Edit or Delete the payment methods.

ID	Name	Logo	Order Status	Groups	Status
