

FME Modules

PrestaShop Module User Guide

INTENDED AUDIENCE

The content of this document is designed to facilitate the users - managers, supervisors, and others of the **Cart and Order Restrictions** PrestaShop Module. A step by step instruction has been added to this document to help users to install the module on PrestaShop.

As a safe practice always backup your files and database before installing any module on PrestaShop. If you are looking for someone to install the module, we can do it for you as well. Just go to the following link and let support know the order id to expedite the installation process.

Once you have installed please see the User Guide to help you understand how to use the module to its full capacity. If you still have questions feel free to contact us on the support platform where you bought this module.

If you have any custom requirements feel free to touch base with us.

PAYMENT RESTRICTION

At the back office, go to **Restrict Cart and Order > Payment Restriction > Settings**. Here you will configure the following settings:

The screenshot shows the 'SETTINGS' page for Payment Restriction. It features four main configuration areas: 1. 'Enable Product Page Block' with radio buttons for 'YES' and 'NO', where 'NO' is selected. 2. 'Product Block Heading' with a text input field and a language dropdown set to 'en'. Below this is a placeholder text: 'Enter Heading for the product page block or leave empty.' 3. 'Show Message on Payment area?' with radio buttons for 'YES' and 'NO', where 'YES' is selected. 4. 'Message for Payment area' with a WYSIWYG editor. The editor toolbar includes icons for bold, italic, underline, link, list, and table. The content area contains a warning message: 'Warning: Due to your cart products or other selections you made previously may not show some payment methods.' A 'Save' button is located at the bottom right of the settings panel.

- **Enable Product Page Block:** Option to add a block on the Product page displaying all the payment methods available.
- **Product Block Heading**
- **Show Message on Payment Area:** Option to display a message to the users about non availability of the payment methods.
- **Message for Payment Area:** Option to create a message using WYSIWYG editor.
