

# GDPR Cookie Banner Module

## GDPR Cookie Banner Module

## User Guide

Compatibility: Prestashop v1.7.x – v8.x.x

For Module Version: 1.0.0

## Intended Audience

The content of this document is designed to facilitate the users -managers, supervisors and others of **EU Cookie Law Blocker Module**. A step-by-step instruction has been added to this document to help users to install the module on PrestaShop.

As a safe practice always, backup your files and database before installing any module on PrestaShop. If you are looking for someone to install the module, we can do it for you as well. Just go to the support section share the order id to expedite the installation process.

Once you have installed, please see the User Guide to help you understand on how to use the module to its full capacity. If you still have questions feel free to contact us on the support platform where you bought this module.

If you have any custom requirements feel free to touch base with us.

## Getting Started!

### Overview

---

Stay GDPR and EU Cookie Law compliant with this powerful PrestaShop module.

It blocks all cookies until user consent is given and supports Google Consent Mode V2. With a fully customizable banner, Accept/Reject/Customize options, SEO-safe bot access, and detailed cookie category management, this module ensures legal compliance without compromising user experience or tracking accuracy.

## Installation Instructions

---

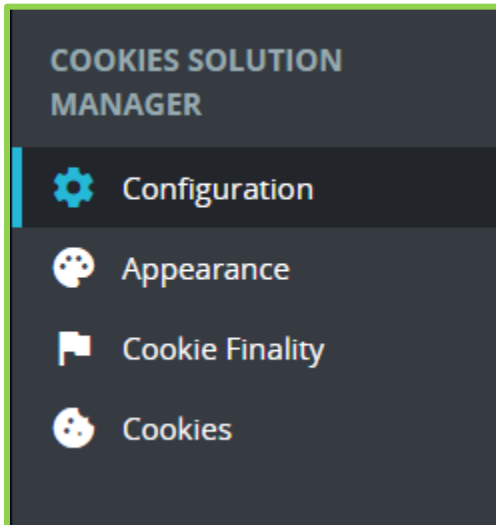

1. Go to Modules → Modules Manager → Click Upload a Module → Browse for Downloaded Module ZIP file and click Upload this module.
2. Click Proceed with Installation.
3. Make sure Cache is disabled in Advance Parameters → Performance.
4. Go to Modules → Modules Manager → PrestaShop Custom Gaming Console Builder to Configure the module

## User Guide

### Module Configuration:

Once you have installed module you will have four new tabs on left side of your backend dashboard.

### Configuration:

#### Configuration

*Set how many days until the cookie expires.*

Cookies banner Text

*Text that will be displayed when the cookies banner will be shown to the user.*

SEO Protection

*List of bots to protect SEO. Separate each bot with a comma (,). The cookie module will not function while these bots visit the store.*

More Info page Link

*Please insert more info page link*

Google Ads Measurement Id

*Please insert your Google Ads Measure Id in order to insert Google consent*

Microsoft Uet Tag ID

*Please insert your Microsoft Uet Tag ID in order to insert Microsoft consent*

1. **Enable Module:**  
Activate or deactivate the cookie blocker on your PrestaShop store.
2. **Cookie Expiry (in days):**  
Set how many days the user's cookie consent will remain valid.
3. **Cookies banner Text:**  
Customize the message shown on the cookie consent banner.
4. **SEO Protection:**  
Allow search engine bots to bypass the cookie blocker for proper site indexing.
5. **More Info page Link:**  
Add a URL to your privacy or cookie policy page for detailed information.

## 6. Google Ads Measurement Id:

Insert your Google Ads ID to enable Consent Mode V2 tracking.

## 7. Microsoft Uet Tag ID:

Add your Microsoft UET Tag for advertising and analytics integration.

## Appearance:

Banner Background Color

*Choose the background color for the cookie banner.*

Banner Shadow Color

*Choose the Shadow color for the cookie banner.*

Banner Text Color

*Choose the Text color for the cookie banner.*

Banner Position

*Banner position on the web page*

### Cookie Finality:

Here you will be able to create new cookie groups. We have already created 5 groups for you. You can also add new group if you want by clicking on plus button.

Cookie Finality + ↻ >\_ ☰

	Id	Name	Description	Active	Technical	
						Q Search
<input type="checkbox"/>	1	Functional cookies	Functional cookies are strictly necessary to provide the services of the shop, as well as for its proper functioning, so it is not possible to refuse their use. They allow the user to browse through our website and use the different options or services that exist on it.	1	0	✎ Edit ▾
<input type="checkbox"/>	2	Advertising cookies	These are cookies that collect information about the advertisements shown to users of the website. They can be anonymous, if they only collect information about the advertising spaces shown without identifying the user, or personalised, if they collect personal information about the user of the shop by a third party, for the personalisation of these advertising spaces.	1	0	✎ Edit ▾
<input type="checkbox"/>	3	Analytics cookies	Collect information about the user's browsing experience in the shop, usually anonymously, although sometimes they also allow the user to be uniquely and unequivocally identified in order to obtain reports on the user's interests in the products or services offered by the shop.	1	0	✎ Edit ▾
<input type="checkbox"/>	4	Performance cookies	These are used to improve the browsing experience and optimize the operation of the shop.	1	0	✎ Edit ▾
<input type="checkbox"/>	5	Other cookies	These are cookies without a clear purpose or those that we are still in the process of classifying.	1	0	✎ Edit ▾

Bulk actions ▾

### Cookies:

In cookies tab you will see all the cookies that have been saved. You can also delete them if you want.
