## Getting Started!

### Overview

---

Activity Feed is another wonderful PrestaShop social media module which offers the following features on your website;

- 1) Show visitors recent activity of your website such as how many people liked it on Facebook, how many recommended it, latest blog sharing etc.
- 2) Displays personalized content when users are logged in.
- 3) This content is shown in a Recent Activity Box that is configurable. You can adjust following settings for this box;
  - a) Custom URL
  - b) Height and width
  - c) Font
  - d) Select if a link should be opened in new window or in same window
  - e) Color Scheme
  - f) Select to show friends recommendations
  - g) Select to show header

Besides giving a bold and strong impression of your website to visitors, this PrestaShop social media plugin act as a testimonial. Facebook activity of your fans will convince landing customers on your website about your credibility which ultimately will make more conversions. Download the plugin to dig in the success.

---
