

FME MODULES

CALL FOR PRICE

USER GUIDE

INTENDED AUDIENCE

The content of this document is designed to facilitate the users - managers, supervisors and others of **Call for Price** PrestaShop Module. A step by step instruction has been added to this document to help users to install the module on PrestaShop.

As a safe practice always backup your files and database before installing any module on PrestaShop. If you are looking for someone to install the module we can do it for you as well. Just go to the following link and let support know the order id to expedite the installation process.

Once you have installed please see the User Guide to help you understand on how to use the module to its full capacity. If you still have questions feel free to contact us on the support platform where you bought this module.

If you have any custom requirements feel free to touch base with us.

Selected product will be able to ask for price only.

Save

- **Status:** Enable / Disable the module
- **Background Color:** Select the color for background
- **Value:** Enter your number or any text you want
- **Select Rules:** As our module is rules based admin can select where to show the Call for Price box. Following rules are available:
 - Price is zero: All the products where price is zero will have Call box
 - Has Category: Select one or more categories to apply the rule
 - Has Product: Apply rule to specific categories
 - Has Group: Call box will be shown to users from specific user groups

DISCLAIMER

It is highly recommended to backup your server files and database before installing this module.

No responsibility will be taken for any adverse effects occurring during installation.

It is recommended you install on a test server initially to carry out your own testing.

SUPPORT

If you need more information or have any questions or problems, please refer to our support helpdesk:

You can log a ticket and a support technician can assist you further.

CUSTOMIZATION

If you have requirements that are not covered by our module and you need to have our module customized, feel free to contact us through support helpdesk.
