PRESTASHOP

**PURCHASE FROM
EXTERNAL LINK**

**PrestaShop Module
User Guide**

INTENDED AUDIENCE

The content of this document is designed to facilitate the users - managers, supervisors, and others of the **Purchase from External Link** PrestaShop Module. A step by step instruction has been added to this document to help users to install the module on PrestaShop.

As a safe practice always backup your files and database before installing any module on PrestaShop. If you are looking for someone to install the module, we can do it for you as well. Just go to the following link and let support know the order id to expedite the installation process.

Once you have installed please see the User Guide to help you understand how to use the module to its full capacity. If you still have questions feel free to contact us on the support platform where you bought this module.

If you have any custom requirements feel free to touch base with us.

USER GUIDE

HOW TO CONFIGURE MODULE

At the back office, go to **Modules > Module Manager > Purchase from External Link**.

Here you will find all the module configurations.

General Settings

- **Enable/Disable Add to Cart:** Admin can enable/disable this option to display the Add to Cart button on the product page where external link has been placed.

- **Upload CSV File:** Admin can add CSV file from here. The database should be empty or cleared before uploading CSV file.
- **MaxMind Account:** MaxMind account is required to use the module's functionalities for auto detection of location of visitor.

CSV Sample File

- **Download File:** Option to add a sample for CSV File.

Stats Link

- Admin can access the stats link directly from here by clicking the **Stats Page** link.

PRODUCTS WITH EXTERNAL LINKS

Admin can access the list of products with external links from the menu by clicking "**Purchase Links**".

ID	Name	Country	Status	Product Destination Link	
--	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
<input type="checkbox"/> 1	Mountain fox - Vector graphics	Globally	✓	https://www.google.com/	<input type="button" value="Edit"/>
<input type="checkbox"/> 2	Mountain fox - Vector graphics	France	✓	https://www.google.com/	<input type="button" value="Edit"/>
<input type="checkbox"/> 3	Mountain fox - Vector graphics	Germany	✓	https://www.google.com/	<input type="button" value="Edit"/>

Bulk actions

HOW TO EMBED THE EXTERNAL LINK

Admin can add external links to the desired products.

Embed An External Link

Status Enabled
Enable This Button To Display Your Button On The Product Page

* Search a Product
(Begin Typing The First Letters Of The Product Name, Then Select The Product From The Drop-Down List.)

Country
Select The Name Of The Country To Which You Want To Direct The Customer.

* Product Destination Link
Paste The Link That Will Direct The User To The External Website.

* Button Name
Write The Name of the Website Which Will Be Displayed In The Button In Product Page(Like Amazon, E-bay, Aliexpress, YourOwnDomainName etc.)

- **Status:** Enable to show this link
- **Search a Product:** Search and select the product where you want this link to show
- **Country:** Select the country of user for this link to show to
- **Product Destination Link:** Enter the external link
- **Button Name:** Text to show on the button

STATISTICS

Admin can view the stats for the purchases done via external links, by clicking the “Stats” tab in the menu.
